

In the quest to continually innovate, Urfic introduced their latest range 'Ebony'

Ebony is our new 'Designer' range, finished in sleek black resin coated over high quality alloy based material, with added Titanium for strength and durability.

5 designs of lever on rose, with matching lock, euro profile and bathroom escutcheons are available ex-stock for a quick and efficient 48 hour delivery.

For more information on this exciting new addition to our already impressive range of door furniture please either email our Sales Office on sharong@urfic.co.uk or visit our website www.urfic.co.uk. Alternatively give us a call on 01767 315468.
